

## HELP SITUATION SERIOUS PROBLEM AT GARDNER BROS.

PLANT MAY BE FORCED TO  
QUIT MAKING ICE IN  
NEAR FUTURE

During the summer season it is necessary for the local ice company owned and operated by Gardner Bros. to triple and quadruple the number of its employees. In normal times with the usual plentiful supply of labor available this situation has presented no serious difficulties. The operation of the ice plant at this time under war time difficulties, presents an entirely different picture. The plant is already short handed with so many men being drafted into military service as well as being attracted by higher wages of war plants. As the season progresses and the demand for ice increases, a critical condition is inevitable, and it is not only possible, but quite probable the ice department of the local plant will be forced to suspend operations unless something is done to provide necessary labor to keep the department in operation.

The closing of the ice department would be a catastrophe for the community. It would mean that a large percentage of the citizens of the community would be without any form of refrigeration. It would mean less fresh meat and other perishable foods would be available, as many meat markets, food stores, and other establishments handling perishable foods, would not be able to carry them in stock for lack of refrigeration. It would mean less fresh sweet milk for infants and growing children; and no refrigeration in many homes to protect the health of the family. It would mean no ice for the alleviation of the suffering and providing comfort for those who are ill. It would in all probability be the cause of much illness from eating tainted and contaminated food and would undoubtedly result in the spoilage and loss of much precious perishable food. The forced closing of their ice department due to lack of labor would be most deplorable, and a definite menace to the health and welfare of our community.

The ice department of the plant was kept in operation last year only by the most valiant effort on the part of Gardner Bros., and even more vigorous effort has been made to keep it going thus far this year. They have been forced to haul many tons of ice by truck from Brazil and Crawfordville due to insufficient manpower in plant operation, only that customers be supplied with ice.

Otis and Charles Gardner owners and operators of the company are fine patriotic business men, are willing and anxious to do more than their share in winning the war, and have exerted every effort to keep the ice department in operation this season at a loss in order, to fulfill their heartfelt obligation to supply our community with the vitally needed ice to protect the health and well-being of our citizens. Whether they can continue to do this depends on the manpower situation. If they can secure enough help they will continue to manufacture ice, but if men continue to refuse to recognize their patriotic duty in such an essential industry, Gardner Bros. will be compelled most regretfully to suspend the manufacture and delivery of ice.

## FATAL FARM FIRE

MUNCIE, Ind. May 24.—(UP)—Authorities feared today that a farm fire which claimed the life of Mrs. Dora Belle Harrison, 30, may also have burned to death her husband, Don Harrison, a discharged veteran of World War II.

Mrs. Harrison died in Ball Memorial hospital yesterday and her husband had not been located last night. Sheriff Charles Snodgrass had planned to search the debris of their farm home when the embers cooled.

An embargo was placed on hogs at the Indianapolis livestock yards Wednesday noon.

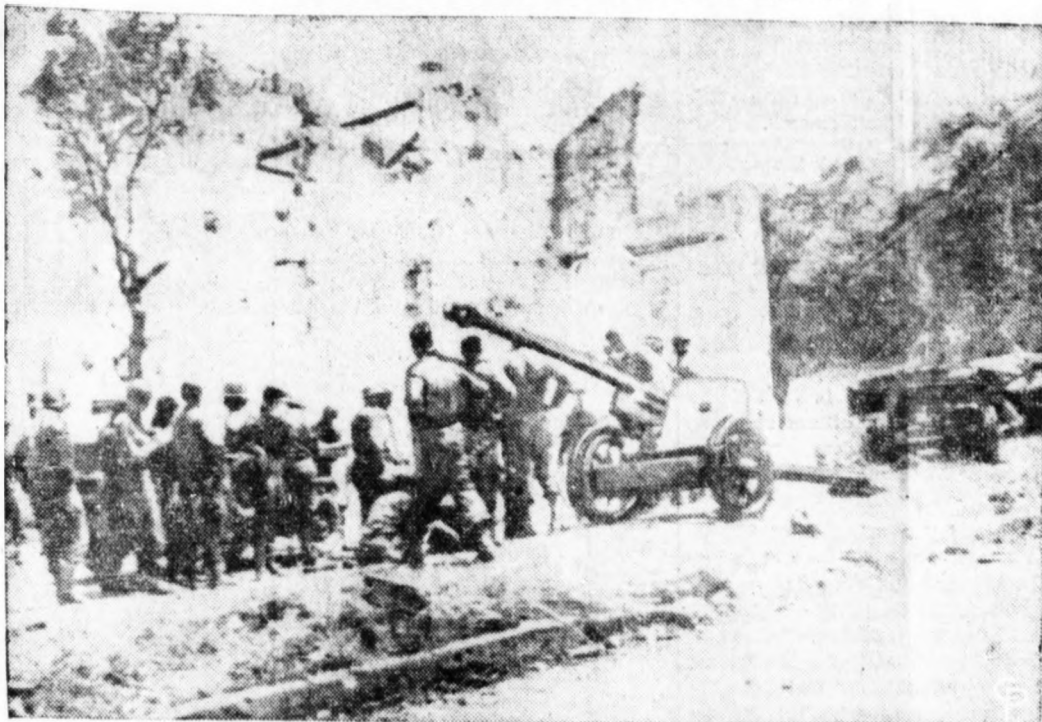

## 20 Years Ago IN GREENCASTLE

Mr. and Mrs. George York spent the day in Indianapolis.

Mrs. Ida Pierce and Mrs. Elmer Seller motored to Tipton to visit Miss Carrie Pierce.

Walter Heath rented office rooms in the First National Bank building prior to starting construction work on the new Delta Kappa Epsilon fraternity house on east Anderson street.

## U. S. GEN. CLARK ALMOST KILLED BY TRAP LIKE THIS

Although the censor-approved caption accompanying this radiograph from the Italian war front didn't indicate whether it was the same booby trap which narrowly missed killing Lieut. Gen. Mark W. Clark, Fifth Army Commander, this trap killed several Allied soldiers when they inquisitively inspected the weapon. The Nazis had abandoned the artillery piece along the Apennine way. Clark was in a Jeep when an anti-tank gun blew up almost in his face. Clark escaped injury.

(International)

## AMERICANS CUT VITAL ROUTES OF NAZIS IN ITALY

YANK TANKS AND INFANTRY  
REACH RAILWAY NORTH-  
WEST OF TERRACINA

ANZIO BEACHHEAD, Italy, May 24 (UP)—American tanks and infantry have crossed the Apennine way southeast of Civitavecchia and reached the Rome-Terracina railway northwest of Terracina, thus cutting the enemy's main coastal routes of retreat from the main front to the south, it was disclosed today.

ALLIED HEADQUARTERS, Naples, May 24 (UP)—Fifth Army troops attacking from the Anzio beachhead have broken into the enemy's heavily-mined and strongly prepared defense positions on a wide front and the attack is proceeding "according to plans", a communique announced today.

The text of the ground forces communique:

"The second phase of the battle in Italy has begun.

"In the early hours of May 23, an attack by the Fifth Army Allied bridgehead force was synchronized with an attack by the Eighth Army to break the Hitler line in the Liri Valley, while Fifth Army troops continued their attacks against the right flank of the enemy's main defensive position.

"The attack by the Eighth Army was made by a Canadian Corps, which effected a breach in the Hitler line north of Pontecorvo after extremely heavy fighting against great opposition.

"The Canadian Corps has greatly distinguished itself in this, its first action as a corps.

"Steady progress has been made by French and American troops in the mountains and coastal sector against the right wing of the main German defensive position.

"From the Allied bridgehead, Fifth Army troops have broken into heavily-mined and strongly-prepared enemy defensive positions on a wide front and the attack is proceeding according to plan.

"Heavy fighting continues on both fronts."

## Judge Appoints Board Members

Judge H. Allee announced Wednesday that he had appointed Ben King, city, and Albert Giron, Washington township, as members of the Putnam County Board of Review which convenes on Monday, June 5.

Mr. King is the Democratic member and Mr. Giron the Republican member. Others serving on the board will be Eddie Buis, county auditor; Mrs. Catherine Crank, county treasurer, and Frank Cooper, county assessor.

The Board of Review will study the various assessment sheets and hear any complaints during its session.

**SADDLE CLUB WILL  
DISCUSS FUTURE PLANS**

Putnam County Saddle Club members will have a general discussion of future plans following the supper which will be at 6:00 P. M. Sunday, May 28th.

## Strikers Ordered Back To Work

WASHINGTON, May 24.—The War Labor Board late yesterday ordered 2,700 striking employees at Parke Davis Company plant in Detroit to end the strike which has interrupted "production of medical supplies and blood plasma critically needed by our armed forces."

DETROIT, March, May 24.—Production of war-needed penicillin and blood plasma was completely crippled today in the plant of Parke Davis & Co., world's largest drug chemical house, when 1,900 employees walked out over a wage grievance.

Their action was directed against the refusal of the War Labor Board to grant a blanket wage increase.

In addition, the company's employees on its Rochester, Mich., farm left their work of producing serums and toxins from horses.

The strikers are members of the CIO United Gas, Coke & Chemical Workers' Union.

N. H. F. McLeod, secretary-treasurer of the firm, said:

"Our production is completely crippled. If we should have a 24-hour shutdown the result would be serious; not from the viewpoint of what we could produce in that period but because the manufacture of our products is an around-the-clock matter.

"We can't shut down for 24 hours, then pick right up; there would be an additional delay."

McLeod, who is also chairman of the company's finance committee, said the plant faces another hazard—the union has threatened to shut off power.

The plant has large Red Cross orders for conversion of blood into plasma. Of equal importance, McLeod said, is the production of penicillin.

"The American Legion is making a special effort this year in their plans for Memorial Day, honoring the soldiers who have given their lives and also those who are now fighting for us."

"Gold Star War Mothers" will also be honored.

The exercises will start with a parade promptly at two o'clock from the Legion Home. Dean Betchell, State Commander of the Legion will be the speaker.

Please have your flags out on Decoration Day.

The committee further recommends that all stores remain open all day on Wednesday, May 31st, after being closed on Tuesday.

**REPORTED MISSING**

Lieut. Kenneth B. McCoy, Indianapolis, former DePauw student and member of the Delta Kappa Epsilon fraternity, is reported missing in action in the European area.

Lieut. McCoy was a bombardier on a Flying Fortress and had been overseas since January. He has a wife and a young son.

## S/SGT. PITTS IS REPORTED MISSING OVER BELGIUM

UNACCOUNTED FOR FOLLOW-  
ING MISSION OVER BELGIUM  
ON MAY 9

Mrs. Dora Pitts, Greencastle R. 4, received a telegram from the War Department Wednesday stating that her son, Staff Sergeant Walter D. Pitts, has been missing in action since May 9, over Belgium. He was 1st Armored on a B-24 Liberator bomber and had been in England five months.

Sgt. Pitts, one of four sons of Mrs. Pitts serving in the armed forces, began his military career December 7, 1942 and received his basic training at Miami Beach, Fla. He attended Armored School at Buckley Field, Denver, Colo., and received his wings at Laredo Air Field, Laredo, Texas.

It was believed that he was on his 15th mission. He had previously been awarded the Air Medal and an Oak Leaf cluster.

Mrs. Pitts received a letter Saturday from her son, Staff Sergeant Carl Pitts, also stationed in England as an Army Air Force gunner, saying that he had gone to visit Walter and learned that he was missing.

## DePauw Awards 14 Scholarships

Award of fourteen President's Scholarships to DePauw University, each worth \$200, was announced today by President Clyde E. Wildman, of DePauw.

Winners were selected from a field of 106 contestants from eight cities, with ten scholarships awarded in the college of liberal arts and four in the school of music.

Indiana winners for liberal arts included Maryann Compton and Floy Wilcox, Shortridge High School, Indianapolis; Louise E. Flanders, Anderson; Jane Pittman, Wiley High School, Terre Haute; Margaret Sanders, Greensburg; Dorothy Simpson, Washington, and Helen M. Sipes, Lebanon.

Music awards to Indiana students went to Janet Swain, Bluffton, for voice study, and to Judy Wilson, Bosse High School, Evansville, for piano.

Liberal arts awards were also made to Eleanor Creed, Hinsdale, Ill.; Lucy Foster, LaGrange, Ill.; and Sue Shafer, Bowling Green, O. Other school of music scholarships went to Grace Grogan, West Bend, Wis., for organ and Helen North, Danville, Ill., piano.

**Bulletin**

MOSCOW, May 24.—(UP)—Russian troops killed approximately 400 Germans in taking a height in the Stanislawow area of southeastern Poland and in hand-to-hand trench fighting northwest of Tiraspol along the lower Dneestr river yesterday, it was announced today.

**SOUTHEAST ASIA HEADQUARTERS, KANDY, Ceylon, May 24.—**(UP)—Chinese infantrymen have cleared the Japanese from the railway and road junction on the western edge of Myitkyina, a communique said today, as bloody fighting raged through the city's barricaded streets for the sixth straight day.

## BIDDLE CALLED TO TESTIFY IN WARD SEIZURE

ATTORNEY GENERAL APPEARS  
BEFORE HOUSE COMMITTEE  
CONDUCTING PROBE

WASHINGTON, May 24.—(UP)—Attorney General Francis Biddle was called before a special congressional committee today to defend government seizure of Montgomery Ward and Company's Chicago properties in what was expected to be one of the warmest hearings of the inquiry.

It was the legality of the seizure, defended by Biddle, that provoked much of the widespread criticism of the government's action in view of what was deemed by some to be the plant's non-war nature.

Third of the witnesses called by the House Ranspock group especially created to look into the Ward case, Biddle is expected to reiterate previous contentions that the Smith-Connally War Labor Disputes law empowers the President to take over any plant or facility if such action is considered essential to the war effort.

Biddle told the President in an opinion prior to the seizure that "Montgomery Ward and Company is engaged in activities of a kind that are essential to the maintenance of our war economy."

"Any interruption or stoppage of the company's activities would have a serious effect upon the war effort," he said then.

Pending the attorney general's testimony, Republican members of the seven-man committee resumed their charges of failure by government officials to utilize every means to avert federal seizure of Ward plants. The attacks were made after hearing Chairman William H. Davis of the War Labor Board and a member of the National Labor Relations Board presented a chronological resume of the concern's prolonged labor dispute.

It was the bargaining agency dispute that caused the company's refusal to extend its contract with a CIO union and finally led to the seizure order, although in the NLRB election held May 9, the day the properties were returned to private ownership, the CIO won an overwhelming victory.

Gerard D. Rolly, a member of the NLRB, told the committee yesterday that the NLRB had no authority to conduct the election until one month after the War Labor Board assumed jurisdiction. He said Montgomery Ward's had followed many unfair labor practices, including the use of labor spies, and that the company's attitude "could not be ignored" in weighing the merits of the dispute.

**CHIEF JUSTICE STONE  
TO REMAIN ON BENCH**

WASHINGTON, May 24 (UP)—Chief Justice Harlan Fiske Stone, 71, the only Supreme Court Justice now eligible to retire, is expected to stick on the job at least another year despite some reports to the contrary.

The approaching end of the court's current term—scheduled tentatively for next Monday—has brought on recurrent rumors that Stone, originally appointed to the tribunal by President Calvin Coolidge in 1925, plans to retire, but the best available opinion, including that of some of his colleagues, is that the rumors are unfounded.

Stone's friends expect him to continue in the nation's No. 1 judicial post as long as he remains sufficiently active to carry on the arduous duties attached to the position.

The approaching end of the court's current term—scheduled tentatively for next Monday—has brought on recurrent rumors that Stone, originally appointed to the tribunal by President Calvin Coolidge in 1925, plans to retire, but the best available opinion, including that of some of his colleagues, is that the rumors are unfounded.

Stone's friends expect him to continue in the nation's No. 1 judicial post as long as he remains sufficiently active to carry on the arduous duties attached to the position.

**Famous Artist  
Will Visit City**

Wayman Adams, America's greatest living portrait painter, will be on the DePauw University campus Thursday afternoon, May 25, to paint a portrait of Dr. Lisgar Eckardt, head of the DePauw philosophy department, under the auspices of the DePauw art department.

Mr. Adams' visit is the first in a series of art forums scheduled at DePauw to bring leaders in various forms of art to the campus for demonstrations of their technique.

**MASONIC NOTICE**

F. A. Degree tonight at 7:30 of Temple Lodge 47, Herbert Craver, W. M. Stated meeting of Green Castle Commandery, No. 11, Marion Cooper, E. C.

## SERVING COUNTRY

Pvt. Hubert E. Cooper, Jr., entered the service Feb. 2, 1941 and is stationed at Camp Wolters, Texas.

## YANKS EXTEND BRIDGEHEAD IN MAFFIN SECTOR

PROGRESS MADE BY AMERI-  
CANS IN FIGHTING ON NEW  
GUINEA MAINLAND

ALLIED HEADQUARTERS  
Southwest Pacific, May 24.—(UP)—

American troops have reinforced and extended their bridgehead across the Tor river on the Dutch New Guinea mainland, after crossing the river under vigorous Japanese mortar and machine-gun resistance, a spokesman for Gen. Douglas MacArthur announced today.

The Americans apparently were driving for the Maffin airdrome southwest of Sarmi and about five miles west of the Tor.

Sarmi is about 20 miles west of the Wakde Islands, where American troops took over the airstrip on Insoemoor Islands, after killing 833 Japanese.

A third air base is the Sawar airdrome about three miles southwest of Sarmi.

Completion of the conquest of all three would provide air bases for the drive to recapture the Philippines, MacArthur's announced objective. The Philippines lie 1,025 air miles from the newly-captured Wakde airstrip, which was put into operation Sunday.

American Liberator bombers dumped 150 tons of explosives Monday on Japanese-held Biak Island's two airdromes, destroying a fuel dump and leaving heavy clouds of smoke over large areas, the regular communique said.

It was the 11th straight attack on Biak, in Geelvink Bay, 470 miles west of Hollandia. A spokesman for MacArthur's headquarters indicated that the two airdromes, Sorido and Barokos, Japan's most advanced air bases in the Dutch New Guinea area have been immobilized. Reports have failed to mention any serviceable Japanese planes on the ground there since May 19.

Liberator bombers, striking from bases in the Admiralty Islands, raided Truk before dawn Monday, blasting Faden Island, while other allied planes attacked a Japanese convoy north of Namlea off Boeroe Island, Netherlands Indies. Damage to the convoy was not specified.

**Dr. C. E. Wildman  
Honored At Boston**

Dr. Clyde E. Wildman, president of DePauw University, was honored by Boston University by being awarded the honorary degree of Doctor of Science in Education.

President Daniel L. Marsh of Boston University, in conferring the honor degree on Dr. Wildman, paid him the following honor:

Clyde Everett Wildman, graduate of Boston University with the degrees of Bachelor of Sacred Theology and Doctor of Philosophy, and sometime Professor in Boston University; Clergyman; President of DePauw University, and currently President of the Association of Schools and Colleges of the Methodist Church; respect for your Christian manhood, honored for your solid learning, and beloved for your human qualities, I confer upon you Boston University's honorary degree of Doctor of Science in Education.

**YOUNGSTER KILLED**

FRANKLIN, Ind., May 24.—(UP)—Sheriff Russell W. Cachran and Franklin city police today sought the identity of the driver of a hit-run automobile which struck and killed 5-year-old James Mitchell on the Franklin courthouse square yesterday.

The driver sped on after striking the child just a block from a restaurant operated by his mother, Mrs. Ruth Mitchell.

## BERLIN, VIENNA ARE ROCKED BY YANK BOMBERS

AMERICAN PLANES POUND AT  
REICH CAPITAL; OTHER  
AXIS TARGETS

By United Press  
A United Press Bern dispatch, quoting Balkan diplomatic circles, reported today that the Germans have closed the Bulgarian-Turkish frontier and were moving heavy Wehrmacht reinforcements into Bulgaria.

The dispatch, which came amid other reports of a mounting Bulgarian crisis, also said that the Bulgarian regent and former Premier Bogdan Filoff had left for Berchtesgaden by plane in answer to an urgent summons from Adolf Hitler.

LONDON, May 24.—(UP)—The U. S. 8th Air Force hurled almost 2,000 heavy bombers and fighters into a thunderbolt attack on Berlin today and enemy broadcasts said the assault was coordinated with a strike on Vienna by a powerful American air fleet from the Mediterranean.

While Berlin rocked and burned under the American attack, hundreds of other allied warplanes raced across the channel to spread ruin across Hitler's west wall, and a diversionary force of Flying Fortresses and Liberators struck at enemy airdromes in the Paris area.

Almost 1,000 Forts and Liberators, supported and covered by an equal number of Thunderbolt, Lightning, and Mustang fighters, struck Berlin around mid-day, and the German radio said furious air battles raged all along the northern and western approaches to the capital.

Nazi broadcasters described the attack on Berlin as a "terror raid," indicating that upwards of 1,000 tons of high explosives and fire bombs were showered down on the city and early enemy accounts had suggested that Mediterranean-based bombers also hit the capital in a follow-up raid.

Later, however, the German home radio said American planes from the south hit targets in the Vienna area, touching off violent aerial fighting across southern Austria.

The Berlin attack, first by the U. S. 8th Air Force heavies since last Friday's 1,500-plane raid on Berlin and Brunswick, carried the resumed preinvasion assault on axis Europe into its sixth straight day.

LONDON, May 24.—(UP)—Prime Minister Churchill warned today that the allies will accept only unconditional surrender from Germany and Japan and called for a new post-war world organization—with United States participation—armed with "overwhelming military power" to prevent future aggression.

Churchill reviewed the world situation in an 85-minute speech before a crowded Commons virtually on the eve of the greatest air and sea borne invasion the world ever has known, but he avoided all mention of the coming assault.

He proposed that the new world structure follow roughly the organization of the League of Nations, but avoid that body's pitfalls by arming to the teeth to enforce its decisions and outlaw war for generations to come.

LONDON, May 24.—(UP)—Germany, plagued by mounting chaos in her railway network, was reported today to have warned that allied air men shot down while attacking trains and other communications henceforth will be placed on trial before her infamous people's courts.

The Nazi warning was broadcast by a German radio station, the Stockholm newspaper Svenska Dagbladet said. However, the broadcast was not reported by any other source.

## Invasion Notes

LONDON, May 24.—(UP)—Reports from Stockholm said today that Germany, convinced that the allies will attempt a landing in Denmark, have divided Jutland and the

island of Fyn into four "invasion administrative zones."

Other Nazi preparations to meet what the German command apparently believes is an imminent attack included the destruction of two villages in lengthening the runways for an airfield on the east coast of Jutland, Stockholm dispatches said.

(A German army announcement reported to the Office of War Information said Nazi military authorities have established control over all traffic crossing the bridges over the Oddeund, the Agersund and Stormstroms bay in Denmark. Civilian traffic was prohibited at night and all goods will be searched by day, the announcement said.)

The Germans have sent frequent reconnaissance planes over the Scottish coasts in quest of signs of any allied preparations for a thrust across the North Sea to Denmark, which offers one of the shortest invasion routes to Berlin.

The French news service, maintained by the French national committee, said the Germans have taken their first steps toward an eventual withdrawal from France to the fatherland.

A group of 180 German women left Paris for Germany May 14, the first such contingent of evacuees since Nazi occupation of France in 1940, the agency said. German army officers and civil servants also were said to have sent their heavy baggage back to Germany.

## BOMB BERLIN, VIENNA

(Continued from Page One)

The purported broadcast followed recent intensification of American and British attacks on railway centers and military trains throughout France, Belgium and western Germany in an attempt to cripple Germany's communications in advance of an allied invasion of western Europe.

Mrs. Joseph Lasley and son, returned to their home in Cloverdale, Wednesday, from the Putnam county hospital.

Local Girl To Be  
Married Saturday

The wedding of Miss Mary Ann Jones of Greencastle, and Sgt. Albert Kenneth Hanna, of Malone, New York, will take place Saturday evening at 7:30 o'clock in the Cobin Memorial Church.

The Rev. John Tennant will officiate at the candlelight ceremony.

The bride-elect is a graduate of DePauw University. She is a member of Kappa Alpha Theta, P. E. O. Sisterhood, and Delta Theta Tau sorority. On June 4th she will receive her degree of Library Science at the University of Illinois.

Sgt. Hanna is a graduate of Cornell University and is a member of Lambda Chi Alpha fraternity. For the past two years he has been stationed at Chanute Field, Ill.

No formal invitations have been issued but friends are invited to attend the wedding.

## GILTON FALLS

Rev. Fred Wintle who has preached here the last three years at the Methodist Church, preached his last sermon here Sunday night.

Mrs. Lida Pierce who has been visiting Mrs. G. C. Ramey at Indianapolis returned home Saturday

Mr. Fred Pelfrey and son Norman Ray called on his parents, Mr. and Mrs. Auto Pelfrey Sunday.

Mr. Thomas Bettis and Mrs. Georgia Arnold called on Mr. and Mrs. Arthur Brattain one night last week.

Mr. and Mrs. Eldon Staggs and little son Gerald and Doris Faldon-bury of Greencastle, Mr. and Mrs. Edgar Staggs visited Mr. and Mrs. Joe Staggs Sunday.

Pvt. John William Burk who has been visiting his parents, Mr. and Mrs. James Burk returned to camp Sunday.

Rev. Fred Wintle, Miss Anna Moore, Mr. and Mrs. Floyd Miller and children were Sunday guests of Mr. and Mrs. Sam Henry

Mrs. Eula Staggs called on her brother, Mr. Oscar Boswell, Saturday evening at the Putnam county hospital.

There will be church services here at the Methodist Church by Rev. McClure of Greencastle Friday night, May 26.

Mrs. Hallie Fowler and children called on her sister, Mrs. Merca En-sor Friday.

## 20 YEARS LATE

INDIANAPOLIS, May 24.—(UP)—Detective Chief Jesse McMurtry

Extra Cash Is Waiting Here for You Now!  
\$10 to \$300.  
INDIANA LOAN CO.  
19 1/2 E. Washington St. Phone 13

believes that vandals who have been digging in the old Kitley cemetery here on recent midnights are late in more than their working hours.

He thinks they're about 20 years late for what they're seeking.

"About 20 years ago bandits held up the Alert State Bank and got away with \$46,000 in bonds," the officer explained. "We received information they had buried the loot

in a field near the cemetery and plowed up the field and removed the bonds. It's possible that one didn't know the loot was buried and decided to look for it himself."

However, deputy sheriffs are keeping an eye on the burial ground especially the tombstone of the Breuer and his wife, around the digging has centered.

## Mom and Pop and the Car...

Mom's finding time, even in these busy wartime days, to give the car the kind of attention it so definitely needs. Not that it's any great chore. In fact, it's easy now for women or men to keep a car running right, running longer, and running farther on every gallon of gasoline. Just take it to your Standard Oil Dealer! He's trained for wartime car-saving service. Remember—it's going to be a long, long time before you can replace your car. Don't neglect it. Follow this 3rd-War-Year Service Guide and keep your car at its best always.

Service price: 25c inc. tax.

## Have a Coca-Cola = As you were

## ... a way to relax on a battleship

Wherever a U. S. battleship may be, the American way of life goes along... in sports, humor, customs and refreshment. So, naturally, Coca-Cola is there, too, met with frequently. Have a "Coke" is a phrase as common aboard a battle-wagon as it is ashore. It's a signal that spells out *We're pals*. From Atlanta to the Seven Seas, Coca-Cola is spreading the custom of the pause that refreshes,—has become a symbol of happy comradeship in many lands.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY  
**COCA-COLA BOTTLING CO., Inc.**

Greencastle,  
Indiana.

**Coca-Cola**  
the global  
high-sign

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

Miller School enjoyed their annual spring picnic Friday.

Hilda Boatright entertained second grade of Miller School with a weiner roast Thursday p. m.

Rita Rhea entertained the third grade of Miller School with an outdoor party Thursday at 2:30.

### DePauw Defeats I. U. In Baseball

DePauw's baseball team decisively defeated a Big Ten opponent here yesterday afternoon when the Tigers took Indiana into camp by the score of 7 to 2.

Wayne Montgomery, on the mound for the local collegians, held the Crimson sluggers to six scattered blows. In the second inning, DePauw pushed four runs across the plate to put the contest on ice. The scoring spurge came as result of a sacrifice, a walk, a single, an error and a double by London, Tiger catcher.

Indiana used three pitchers during the game and their wildness gave DePauw eleven bases on balls.

Score: DePauw..... R H E Indiana..... 000100100-2 6 4 DePauw..... 041200000-7 4 2

Batteries (Indiana) Leakey, Seifert, Wall and Cohen; (DePauw) Montgomery and London.

### NOTICE TO TAXPAYERS OF THE CITY OF GREENCASTLE, INDIANA, OF APPOINTMENT AND EMERGENCY APPROPRIATIONS TO PAY EXPENSES OF SAID CITY

Notice is hereby given to the taxpayers of the City of Greencastle, Indiana, that the Common Council of said City, at its regular meeting on the 15th day of May, 1944, determined upon the expenditure of more money for the current year than was set out in detail in the published Budget, as modified and confirmed by the State Board of Tax Commissioners of Indiana, for the current year of 1944, to pay the following itemized expenses of said City:

BV-282 Preliminary Drawings and Report by Sanitary Engineer	50.00
BV-282 Engineering Services	100.00
BV-324 Other Garage and Motor Supplies	150.00
BV-324 Advertising and Publication of Notices	200.00
CC-224 Telephone	50.00
Park-41 Building	1,000.00
Park-121 Salaries, Temporary	500.00
Park-214 Salaries	25.00
Park-324 Other Garage and Motor Supplies	150.00
PD-112 Salaries	250.00
Total	\$2,995.00

Print in order to meet the emergency and necessity, which has arisen, the said Common Council has determined to appropriate from the General Fund of the Park Fund now in the City Treasury the several sums herein shown to pay said claims, items and expenses, no appropriation to pay said items, claims and expenses having been made to pay the same during the current year of 1944.

A meeting of the Common Council of said City will be held on June 5, 1944, at 7:30 o'clock P. M. at the Council Chamber of said City, for the purpose of finally determining to make said named appropriations of money to pay said claims and expenses at which meeting any or all taxpayers may be heard and they may make objections to the making of said appropriations or any part thereof. If said Common Council makes said appropriations, the same will be automatically certified to the State Board of Tax Commissioners of Indiana through the County Auditor of Putnam County, Indiana, for the said Board's consideration and approval.

MARY JANE BLACK, CLERK-TREASURER OF THE CITY OF GREENCASTLE, INDIANA.

17-2t.

## Texas Democrats Split Over FDR

AUSTIN, Tex., May 24 (UP)—A split over the fourth term issue, which resulted in the appointment of pro-Roosevelt and "uninstructed" delegations to the National convention, divided Texas Democrats into rival camps today and provided the basis for a first class fight over recognition of the warring factions at the Chicago meeting.

The break occurred at the party's state convention yesterday when the pro-Roosevelt faction, headed by A. J. Wirtz, former under-secretary of the Interior, bolted from the meeting and held a rump session, naming a separate group of delegates to the national convention.

The split resulted from the question of pledging electors to support the Democratic National ticket, regardless of its competition.

A resolution which favored a return to the old party plan of nominating the candidates for President and Vice President by a two-thirds majority rule and declaring that states and parties had a right to fix their own election rules precipitated the break.

According to the terms of the resolution, if the national convention did not approve the proposals, the delegates would be free to cast the state's 48 votes for any Democratic "holding views in accord with those here expressed."

The pro-Roosevelt faction bolted the meeting and held a rival convention, naming a full slate of delegates with Mrs. Clara Driscoll, Corpus Christi, chairman.

## Driving Penalty Imposed On Many

INDIANAPOLIS, Ind., May 24 (Special)—Suspension of the driving privileges of 13,196 Indiana motorists was ordered in the first five months the new state motor vehicle safety responsibility law was in effect, Don P. Stiver, director of the state division of public safety, said today.

Mr. Stiver reported that 33 of the first of May, 9,602 of the driver's license suspensions had been lifted. This indicates, he said, that the public is accepting provisions of the safety measure. There are 3,519 cases pending.

Total economic loss growing out of the 20,000 traffic accidents recorded during the period was placed at \$15,000,000 by safety division evaluators. The figure includes medical expenses, property losses, loss of time from employment and other costs resulting from highway collisions.

Thirty-two per cent of the motorists reporting accidents posted \$75-768.25 in cash or negotiable security to cover damage incurred by other drivers in the mishap. The remaining 68 per cent filed SR-21 forms, showing they owned public liability and property damage insurance at the time of the accident.

The safety director asserted that drivers who figure in collisions must give evidence of financial responsibility or forfeit the right to drive. Proof is provided by filing form SR-21, which is furnished by the individual's insurance company, or by posting acceptable security. All claims for damages must be recovered through civil court action, which must be instituted within a year of the date of the accident.

A state law, Mr. Stiver said, requires that the driver file an accident report with the safety division within twenty-four hours of the accident if there is a death, a personal injury or if the total damage to all vehicles involved exceeds \$25.

## CLOVERDALE

The funeral of Mrs. Josephine Staley was conducted by Rev. Donus Denny at the Reed Funeral Home, last Friday morning. Interment was at the Manning cemetery, west of Eminence.
